Watch out for a **new strain every month** in 2020 under our Vancoast Seeds brands!

Vancoast Seeds hires the top breeders from around the world to produce the **highest quality seeds available**.

With 5 brands and growing, keep an eye out for **exciting news and events to come!**

# WHY VANCOAST SEEDS IS LEADING THE SEED INDUSTRY

## **WE ARE THE LARGEST ADVERTISERS IN THE WORLD FOR SEEDS**

Crop King Seeds alone dominates seed advertisement through magazines, sponsorship of major events, on social media and more. Rapidly building brand awareness, SunWest Genetics and Sonoma Seeds can also be seen at events and in the most popular cannabis magazines! All of our five seed companies are on social media, with the new addition of Blimburn to the company and rebranding and new packaging for Beaver Seeds in the new year.

1

## **GERMINATION GUARANTEE**

We go beyond other seed companies with our 80% Germination Guarantee. Germination issues are very common once the seeds are in the hands of growers who can be of any growing experience and using different growing methods. We provide germination support and replace customers seeds directly over the phone, allowing you to focus on selling.

2

## **24/7 LIVE SUPPORT**

No other seed company has a 24-hour hotline. Providing retailers and customers 24/7 support from experts in the industry, Vancoast Seeds ensures easily accessible support for all five companies with unprecedented assistance.

3

## **MAKE THE LARGEST PROFIT MARGINS**

Vancoast Industries allows you to buy in bulk at the best prices. We have no middleman which results in higher profit margins for retail partners.

4

## **NO MIDDLEMAN OR DISTRIBUTOR**

You work directly with one Canadian company providing support and quick shipping for all seed companies represented by Vancoast Seeds.

5

## **WE SEND CUSTOMERS TO YOU**

We have the largest brands of seed companies in North America. Everyday we receive hundreds of customer inquiries asking for the stores nearest to them that sell our seeds. We send those customers directly to you!

6

## **BULK VOLUME PURCHASES FOR MORE PROFIT**

Some of our locations sell thousands of seeds at once, making over \$5,000 in less than 30 minutes!

7

## **OUTSELL OTHER BRANDS BY 25%**

The success of Vancoast Seeds is a combination of over 100 incredible strain varieties, our 80% germination guarantee, expert customer service representatives and our personal investment on marketing and event sponsorship.

8

## **FREE PROMOTIONAL PRODUCTS**

Available upon request, we have the materials needed for you to successfully promote all seed companies. Contact us for store signage, info. cards, catalogues, hats, stickers, pins, banners and more!

9

## **TRIPS AND GIVEAWAYS**

Each year, Vancoast Seeds gives away amazing prizes to wholesale customers. These prizes include trips, concerts and festivals across the country.

10

EFFECT: BODY HIGH

THC: LOW THC%: 1% CBD: 20% CBN: 2.4%

COUNTRY: USA

YIELD: UP TO 300GR INDOOR/400GR OUT

GENETICS: CALI KUSH

Because of its incredibly high CBD content, this strain is great for those who want a natural way to reduce pain. Often prescribed for epilepsy, anxiety, PTSD, and as an aid to quit smoking, this strain is incredibly versatile. With a THC content of only 1%, this is a good strain if you need to be productive or go to work.
